SUMMARY

3D designer with 3+ years creating buildable automotive environments and displays. Pairs clear brand storytelling with practical engineering to take work from concept to install.

EXPERIENCE

Jackson Dawson | 3D Exhibit Designer + Engineer | Southgate, MI *Mar. 2022 – Present*

- Produced live, in-meeting AutoCAD 2D floor plans to align internal teams on RFP strategy.
- Delivered next-day 3D renders, Chaos Cloud web tours for presentations in 3DS Max and V-Ray.
- Translated brand guidelines into forms, materials, lighting, color, and interaction cues.
- Produced shop drawings, BOMs, and CNC nests in AutoCAD, Fusion 360, and Rhino.
- Partnered with designers to prep print-ready graphics in Adobe CC with scale and bleeds.
- Used ChatGPT, Midjourney, and Chaos Cosmos AI Material Generator to accelerate concepting.
- Ran check-ins with the creative lead and shop manager to issue same-day updates.

Canal Plastics Center | Assistant Manager | New York, NY *Jun. 2020 – Mar. 2022*

Canal Plastics Center | Sales Associate | New York, NY *Aug. 2017 – Jun. 2020*

- Served walk-in clients, translating custom display needs into shop-ready hand sketches.
- Built laser-cut files, optimized nests, and checked tolerances with quick prototypes in Illustrator.
- Managed counter sales, quotes, work orders, and quality control, ensuring repeated business.

EDUCATION & CERTIFICATION

Certified SOLIDWORKS CAD Design Associate (CSWA) | Dassault Systèmes *Jun. 2025*

AutoCAD Certificate | Pratt Institute *Nov. 2021*

Bachelor of Arts – Media Arts | Michigan State University *Aug. 2013*
